

Sterling Financial Management & LPL Financial

LPL Financial is the nation's largest independent broker/dealer, a Registered Investment Advisor (RIA) custodian and has a network of more than 17,000 financial advisors.* They serve as a partner to Sterling Financial Management, Inc. offering us the best oversight, research, technology, clearing and compliance services and practice management programs. Because LPL Financial has no proprietary products to sell, our advisors can provide truly objective advice and investment recommendations. LPL Financial assists us with the complexities of running a financial services practice, so we can provide world class planning and services to help you realize your financial dreams.

LPL Financial Provides:

- **Freedom of Product Choice:** LPL Financial has no proprietary investments and offers advisors access to thousands of individual securities, and forms alliances with the nation's leading providers of investment and insurance products. We can then recommend the best investments that meet your goals.
- **Objective Investment Research:** LPL Financial offers timely articles and unbiased insights to help us better assist you in understanding the financial market, retirement plans, social security, etc.
- **Oversight and Governance:** LPL Financial protects its advisors and our clients through its risk management and compliance programs.
- **Account Statements:** LPL Financial provides you with clear and understandable statements of your investments. You may receive your statements quarterly by mail or access them anytime online through Account View.
